

The Garden Club tastes artificial sweetener for the first time

WEEK IN REVIEW: JANUARY 6-10, 2014

It's been an unusual start to the New Year, weather-wise. After closing early on January 2, and being closed on January 3 and January 7, CHSAP is back in full swing. This week's art project was fuse beads. The kids had lots of fun creating beautiful original designs with beads, before having Michelle warm them with an iron so the beads melted together.

On Friday, the gardening club learned about different sweeteners. They learned about how sugar, honey, maple syrup, and artificial sweeteners are made. They also planted stevia seeds in little cups.

CHSAP MERCHANDISE

All CHSAP merchandise is now on sale! T-Shirts are \$2 each, bracelets are \$1 each. We will be donating remaining stock at the end of January, so get your items before they are gone!

STAFF MEMBER OF THE WEEK: BOB HASKELL

Bob Haskell is originally from Owego, New York. He is a junior Communications Management & Design major at Ithaca College. He is involved in the American Marketing Association, and is a staff photographer for the Ithaca College Marketing Department. He is also a member of the IC FWD: Fun Without Drinking club. Bob loves music, graphic design, photography and painting, and is looking forward to sharing his interest with the kids at CHSAP. Bob is more than thrilled to be a new member of the CHSAP team.

REMINDERS

- ✓ Bills are due January 15.
- ✓ School is closed on Monday, January 20, and Friday, January 31. CHSAP will be providing full days of care on both of these days. If interested in signing up your child to attend one or both days, please e-mail admin@cayugaheightsafterschool.org.
- ✓ When your child is going to be absent from CHSAP, please notify us by phone or e-mail in addition to notifying your child's teacher and the main CHES office
- ✓ The CHES Gym is closed to CHSAP for January due to gymnastics. Because of this, we are striving to take your children outside as much as possible. Please make sure you are sending your child to school on CHSAP days with the following items, all clearly marked with your child's name:
 - A winter coat
 - Winter/snow boots - waterproof is best!
 - Gloves/mittens
 - A hat
 - A scarf
 - Snow pants
 - Spare clothing, including socks
